

# *Tomorrow's Technology Today*

## *Low Voltage Electronic Specialist*

### TIPS FOR VIEWING THIS PRESENTATION:

1. Take advantage of the built-in **Table of Contents** by clicking on the **palette icon** (show/hide navigation pane) located just to the right of the printer icon. Or you can go up to **WINDOW...** then select **Show Bookmarks**.
2. After selecting from the menu on the left, click on the palette icon once more and the selected section will open full screen for easy viewing.
3. To go to a website on the Internet from this pdf file, right click on the web or email address, then select **"Open Weblink in Browser"**.

## Front Door Station Hub

### Front Door Station Module

This option allows the homeowner to speak to visitors at your front door on any telephone in your home. And if you have the triple modulator module for a camera in that location, you can view them on any television in your home while speaking to the front door visitor. This option comes in mighty handy when you are indisposed or all the way in the backside of your home. Other door stations can be added as desired.
